OC Mobile—Inventory is a powerful tool to facilitate stock counting using your preferred Apple device. So Simple and intuitive that no training is necessary.

Speed Up Counting Time

- Send whole stock lists from Optimum Control to your device with the click of a button
- Save time and resources by not having to print stock count sheets
- Organise your count sheets to match your storage areas and counting order

Avoid Mistakes

- No more deciphering messy writing on count sheets or transcription errors
- Quick search capabilities—avoid flipping through printed sheets to find items

Bar Code Scanning

- Use built in camera to quickly scan bar codes
- Bar code not found? Assign it on the fly

Works with

- iPad (2 or newer)
- iPhone (1 or newer)
- iPod touch (5th Generation)
