

Introducing the Most Intuitive Staff Scheduling Planner Available Today!

OC Labour Pro is the visually intuitive Employee/Staff Scheduling application for small and medium-sized businesses. It is designed for the Business Owner or Manager, who is looking for a no-nonsense, straightforward tool to assist them with the day-to-day scheduling of their staff combined with labour cost management.

- Easy to use and a great piece of software.
- Simple Drag & Drop Interface lets you quickly create streamlined rotas, eliminating cumbersome pencil and paper or spreadsheets.
- Create and print, email, or post to the web your staff rotas in minutes.
